Whispering Love high on Hill
Whispering Love what a trill
and we'll make it just fine

I know

Driving in from Dallas one cold night
I saw you standing in moon light

And were Whispering Love / High on a Hill / Whispering
Love what a trill and we'll

make it just fine

I know

We drove through the valleys / cross mountains and
peaks / we drove on through time
Oh - Oh

Just you and me / that's how it's going to be

[Musical Interlude]

And were Whispering Love / High on a Hill / Whispering
Love / what a trill and were

moving through time

I know

[Musical Interlude]

Were riding the wind / Eagles in the sky / you can ride
too / if you try

Whispering Love / High on a Hill / Whispering Love /
what a trill

Whispering Love
