### "Anti Hero"

Collar my thoughts my mind keeps running away  
A changing of foundation over night  
To hold on for now in hope that change is on it's way  
A cause that may have lost itself tonight

Maybe I'm just getting tired of these ups and downs  
Maybe I need to find a different pair of eyes to view the  
life  
So then I can realize, what goes on inside your mind

To chew you up, or swallow you whole  
We're so misunderstood  
And it hurts more than it ever should  
(I am wrong)  
Cause I am the anti hero  
(I am flawed)  
And I am flawed and I am wrong  
But I will always find a way to save the day
