The morning birds never sing my name
They say maybe tomorrow will be your day
But I wait the day, and tomorrow never comes
And the sun, it shines on my neighbors street
As I clear the snow that covers my feet
And I wonder, hey what's up with the weather these
days?

Why try, whole hearted attempts placed off aside
Why lie, it gets the best of me sometimes

I hit every light on the way to your house
And got stopped by the man cause my brake lights out
And I said I'm sorry sir I'll get it fixed right away
And maybe I'm just bitter and I need to forget
All the problems circulating at the top of my head
But I just can't let em, yeah I just can't let em out

Why try, whole hearted attempts placed off aside
Why lie, it gets the best of me sometimes
Why lie, it truly gets inside my mind
