I'm sorry that I'm leaving  
Was never good with goodbyes  
Never meant to hurt you  
Never meant to make you cry  
When the truth came out I was left defenseless  
With a promise I couldn't keep  
So just close your eyes  
And try to forget about me

Sleep sound tonight  
So when the morning comes  
I hope you'll feel alright  
All in all I wrote this song I could  
Tell you that I'm sorry  
To tell you that I'm sorry  
I'm sorry, I'm sorry

I'm staring at the pictures you sent  
For hours at a time  
I wasn't sure how much I cared  
Till I had to say goodbye  
I know the nights get lonelier  
The longer that I'm gone  
I never got to thank you  
While you patiently hold  
Onto the thought that this whole thing could last  
It's a promise I know I can keep  
So just close your eyes  
And please don't forget about me
