

## Gungor "Call Me Out"

I keep on falling  
I keep on falling short  
This world keeps bringing me down

You keep on calling  
You keep on calling me  
I'll keep on running  
Yeah, I'll keep on running

Home, home, home  
I'll keep running  
Home, home, home

This world is dying  
The old world's dying now  
But a new one's dawning  
And You keep calling us out  
Oh, oh

Call me out, call me out  
You're calling me out  
You call me out, call me out  
You're calling me out

Call me out, call me out  
You're calling me out  
You call me out, call me out  
You're calling me out, oh
