Gave up on the socializing  
Packed up and complete with nothing  
Chalk it up as a week of something  
That I don't ever wanna go through again  
There's nowhere left for me to hide

Last off of a speeding death train  
Freak out, but not really insane  
Sweet god getting nothing but pain  
That I don't ever wanna go through again  
There's nowhere left for me to hide  
Forgive me if I can't remember where I left my head  
tonight

I can't let go, never could let go, I won't let go  
Gonna fuel this fire 'til it's outta control  
I can't let go, never could let go, I won't let go  
Gonna fuel this fire 'til it's outta control

Tear it up in a town that hates me  
Shoot down every bitch that could be  
Chalk lines on an empty street  
Where I could never, ever be caught dead again  
There's nowhere left for me to hide

Bad trip that I can't remember  
Dead weight sitting on my shoulder  
Shot down in a living horror  
That I don't ever wanna go through again  
Forgive me if I can't rememeber where I left my head  
tonight

I can't let go, never could let go, I won't let go  
Gonna fuel this fire 'til it's outta control  
I can't let go, never could let go, I won't let go  
Gonna fuel this fire 'til it's outta control

Gonna fuel this fire 'til it's outta control  
I can't let go, never could let go, I won't let go  
Gonna fuel this fire 'til it's outta control  
I can't let go, never could let go, I won't let go

Gonna fuel this fire 'til it's outta control

I won't let go

No, I won't let go

No, I won't let go

Fuel this fire 'til it's out of control
