What I believe is all that I am  
Take it away, I'm only a man  
Back from the dead and now it appears  
I'll be the one to take back the fear

Kill or be killed, that isn't me  
Maybe it's you dying to be  
Somebody else. Man of the year  
But I am the one to take back the fear

Don't want it taken away  
(Don't want anything)  
Taken away  
(Don't want anything)  
Taken away  
(Don't want anything)  
Taken away from me  
It's all that I believe

(Don't want anything)  
Taken away  
(Don't want anything)  
Taken away  
(Don't want anything)  
Taken away from me  
It's all that I believe

Message of hate, fading away  
My love and my failures "one in the same"  
Now that I'm back, painfully clear  
I'll be the one to take back the fear

Don't want it taken away  
(Don't want anything)  
Taken away  
(Don't want anything)  
Taken away  
(Don't want anything)  
Taken away from me  
It's all that I believe

(Don't want anything)

Taken away  
(Don't want anything)  
Taken away  
(Don't want anything)  
Taken away from me

When it seems that everything was all a dream  
Everything's not what it seems  
Even I cannot believe in me easily

(Don't want anything)  
Taken away  
(Don't want anything)  
Taken away  
(Don't want anything)  
Taken away from me  
It's all that I believe

(Don't want anything)  
Taken away  
(Don't want anything)  
Taken away  
(Don't want anything)  
Taken away from me

When it seems that everything was all a dream  
Everything's not what it seems  
Even I cannot believe in me easily

(Don't want anything)  
Taken away  
(Don't want anything)  
Taken away  
(Don't want anything)  
Taken away from me  
It's all that I believe
