If I only knew what I know  
I would not have done what I did.  
You said all along I was wrong  
But I went and did it anyway. Yes, I went  
And did it anyway.  
But if only... (you should listen)  
But if only... (stop and think)  
I was in control (so I thought)  
With a foolproof plan - what a joke!  
Proving what a fool I can be  
As it all exploded in my face.  
Whatever made me do it anyway?  
But if only... (time's a-wasting)  
But if only... (Just move on)  
But if only... (No use chasing)  
But if only... (What is gone)  
Oh, you sentimental fool,  
You're finding out life can be cruel,  
You cannot bend the rules.  
Oh, you sentimental fool,  
You find some coal and think that you'll  
Create a precious jewel.  
You sentimental fool!  
But if only... (something ventured)  
But if only... (nothing gained)  
But if only... (You were captured)  
But if only... (By your game)  
Oh, you temperamental fool,  
You've got to keep your engine cool -  
You're burning too much fuel.  
Oh, you temperamental fool  
You think you'll find somebody who'll  
Be warm when you are cool.  
You temperamental fool!  
Picking myself up off the ground  
Everybody knows how that feels!  
To be wrong again, as I know I will  
It really doesn't matter anyway  
But if only... (time's a wasting)  
But if only... (just move on)  
But if only... (no use chasing)

But if only... (what is gone)  
But if only... (catching rainbows)  
(can't be done)  
But if only... (fleeting haloes)  
(of the sun)
