I want for nothing,
Yeah, I got it all.
I'm a superhuman
And I'm ten feet tall.
I'm truly perfect
In every way
And, like Alexander,
I feel great!
It's all mine
It's all mine, yeah.
You're a living legend -
Only in your mind.
(I would never tell you
But I'm feeling kind).
You're nothing special,
You would agree,
And you're so lucky
To know me.
It's all mine
It's all mine, yeah.
I keep improving
Like vintage wine.
Come and taste it -
Get in line.
It's all mine.
