(Intro)

Yeah just turn on the drums and fuckin' like hit it

Go!

Psh yah you welcome

Go!

Ready, set

Go!

(Hook)

No I can't be that guy

To sit and say it's alright

I'm getting it

Uh, uh, I'm getting it

Uh, I'm getting it

Psh ya, you welcome

No I can't be that guy

To sit and waste my whole life

I'm getting it

Uh, uh, I'm getting it

Uh, I'm getting it

Psh ya, you welcome

(Verse 1)

Sometimes I wish I could just take a break and skate around

Even if I suck at skating, sunny day's I'm staying out

An 80's baby

But can't look to Ronald Reagan

Now my liberal education's taking all the love to break it down

Ok this is real as shit

Tell me if you ready for

Insert famous person, work 'em in a metaphor

I'm almost famous like Kate Hudson

I met a whore

My friends don't really call me

Well fuck those losers I'm better off

Unless they're trying to get some tickets to my concert

And I just tell 'em they missin' out if they not here

Lebron's here

Plus my mom's here

I love my Japanese fans, this a bomb year!
Uh, no Nagasaki
And when I get up on the beat I kill it like a
(Spoken) I'm not gonna say it. Don't make me say it
Well

(Hook)
No I can't be that guy
To sit and say it's alright
I'm getting it
Uh, uh, I'm getting it
Uh, I'm getting it
Psh ya, you welcome
No I can't be that guy
To sit and waste my whole life
I'm getting it
Uh, uh, I'm getting it
Uh, I'm getting it
Psh ya you welcome

(Verse 2)
Duh, next, unapologetic
I live my life the way I want so I do not regret it
I'll be in the game eventually
Cuz I'm so J.J. Reddick
I ain't white, I got money, people wanna see me debted
Y'all are chicken, y'all are breaded
Yo let's keep it cooked up in the cage
I follow all my hater's doin' on they' twitter page
And send them messages and end it with a smiley face
Mikey? asked me why I engage?
Well that's because I ain't made it
Yet!
Well yet is open to the future
I'm so odd, I'm so used to
Getting all this stuff?love?
Give it to my producer
Dancing on your face like I invented the two-step
Well, then you can really call me Einstein
Because we dropping out the beat when I rhyme
I know a couple people here tryna hurt me
Cuz all these French broads screaming
Mercy, mercy, mercy!

(Hook)
No I can't be that guy
To sit and say it's alright
I'm getting it
Uh, uh, I'm getting it
Uh, I'm getting it
Psh ya, you welcome

No I can't be that guy
To sit and waste my whole life
I'm getting it
Uh, uh, I'm getting it
Uh, I'm getting it
Psh ya you welcome

(Outro)

No I can't be that guy
Mercy, mercy
No I can't be that guy
Psh ya you welcome
No I can't be that guy
I said it no no no
I don't wanna be anything other than what I've been
tryna be lately
Psh ya you welcome
