The North-Forth Luxury Condominiums
Are not getting built
Not getting built
All the neighbors watch her halted developments
Haunted by the movements

She rides the rumble and flash
She's been abandoned for months
And the vandalisation
The Vandalisation
The Vandalisation
The Vandalisation

She says
"Your night
The night with you
The night
Your night is supernatural
You dismantle
The night
You dismantle
The night."

She looks for him
In the stones at her feet
He comes in the late hour
The last late hour
There's an opening there
He slips in to meet her
She knows every story

She's lit up, feeling like
She's lit up, feeling like
She's lit up

North Forth Luxury
Housing development
Is falling in love
Falling in love
Falling in love
Falling in love
Falling in love

Up around and inside
Follow lines to their height
And the wind off the edges
Wind off the edges
Wind off the edges

She says
"Your night
The night with you
The night
Your night is supernatural
You dismantle
The night
You dismantle
The night."
