Wasting time, wasting time
my heartbeat
beats like a tom tom

4 AM
you bang the drum
clock beats
beats along

It gets so hot in my head
but I'm ... fine
could've stood by
you for days, I
would forget the world
for you

All the boys say
fallen girls make
easy prey of their hearts
rain falls
the clock beats on
and on

It gets so hot in my head
but I'm ... fine
could've stood by
you for days, I
would forget the world

for you

The tide is high
genius of love
the beat goes on

It gets so hot in my head
but I'm ... fine
could've stood by
you for days, I
would forget the world
for you

could've stood by
you for days, I
would forget the world
for you

In the light outside
peace outside
could've stood by
you for days, I
would forget the world
for you
