It wasn't meant to be like this
It comes down
To your emptiness
You've been told

What you're craving
You can't take
Anymore

What I owe you
I owe you nothing
I gave you everything
And you're taking
I don't know you
You changed for something
You lost your will to live
Are you regretting

I couldn't ever hold my lip
You know why
With my subtleness
You've been told

What you're craving
You can't take
Anymore

What I owe you
I owe you nothing

I gave you everything
And you're taking
I don't know you
You changed for something
You lost your will to live
Are you regretting

And all those things that I came for
And all those things that I worked for
And all those things that I gave for
And all those things that I loved for

Is this all that I worked for
A couple of songs on the dance floor
I don't care if you don't like it
I wrote these songs the money's in my pocket

La da dee dam daai
La da dee dam daai
La da dee dam daai
La da dee dam daai

Is this all that I worked for
A couple of songs on the dance floor
I don't care if you don't like it
