My truth and my reason
It doesn't matter
I've been thinking
My mind is not clear

I've been drunk for days now
It doesn't matter
I have no money
I don't really care

I look around at my earth
I look up at the sky and I realize

I'm on my way
To say that I'm sorry
I'm on my way
To redeem myself

I'm on my way
To say that I'm sorry
I'm on my way
To redeem myself

Well I can't breath here
It doesn't matter
Under this water
It all seems so clear

I can't stay here
It doesn't matter
I have found closure
And I'm about to share
I look around at my earth
I look up at the sky, and I realize

I'm on my way
To say that I'm sorry
I'm on my way
To redeem myself

I'm on my way
To say that I'm sorry

I'm on my way
To redeem myself

And in time you'll say you're sorry
By then I'll be no more
Arguments of different learning
Life is so much more

I'm on my way
To say that I'm sorry
I'm on my way
To redeem myself

I'm on my way
To say that I'm sorry
I'm on my way
To redeem myself
