Beacon don't fly too high  
Beacon don't fly too high  
Beacon don't fly too high

Cute but I'll take the bus,  
(Beacon don't fly too high)  
with fees and favours gone  
Cracks in savers pass,  
and a white that sometimes shone  
(Beacon don't fly too high)  
Wanton borrowed gun  
Wanton borrowed gun
