Treated walls care for me  
When crossings call out one of three  
Treated walls care for me  
When crossings call out one of three

Only child, take good care  
I wouldn't like you playing, falling there

Treated walls care for me  
When crossings call out one of three  
Treated walls care for me  
When crossings call out one of three

Only child, take good care  
I wouldn't like you playing, falling there  
Only child, take good care  
I wouldn't like you playing, falling there

Only child, take good care  
I wouldn't like you playing, falling there  
Only child, take good care  
I wouldn't like you playing, falling there

Only child, take good care  
I wouldn't like you playing, falling there  
Only child, take good care  
I wouldn't like you playing, falling there

Only child, take good care  
I wouldn't like you playing, falling there  
Only child, take good care  
I wouldn't like you playing, falling there

Only child, take good care  
I wouldn't like you playing, falling there  
Only child, take good care  
I wouldn't like you playing, falling there

Only child, take good care  
I wouldn't like you playing, falling there  
Only child, take good care  
I wouldn't like you playing
