she's sitting here she is all alone
she's waiting here she is beautiful
she's waiting for him but he won't ever come
and maybe she's in love

sometimes everything is changing in a moment
I'd like to rest some time but somehow change is
constant
I don't know who I am but I know who you are
I hardly can resist
what do I have to do that you admit

YOU CRUSHED MY SINS
YOU'VE TORN MY HEART APART
SO I'VE BEEN BLEEDING WHITE
BUT HERE I AM HERE I AM
MADE ME PURE

LIE NAKED IN FRONT OF YOU
JUST TAKE ME IF YOU CAN
BECAUSE HERE I AM HERE I AM

mmh madam are you experienced
so teach me teach me
please beauty help me do the line
oh you know I don't want to be left alone tonight

REFRAIN

it's late at night but we are not yet asleep
we'll be may be
