#### VERSE 1:

They say love, is more than just a word  
but some can love, without any heart  
it's ok, I'll let you slepp away  
I've spend my whole life, to save you sometimes  
I'm a faithful, but I've got my bounds  
so, let it out now  
I can't live with lies, oh

#### BRIDGE:

Start to speak,  
I won't stop breathe  
let it out,  
I can be here in the crowd

#### CHORUS:

Go on, make the fire starting  
I'll work it out, I'm not weak  
so, you can finally start to speak (x2)  
It's not a sin, what you're in  
that's just the opinion of the whole world  
I'm not worth it

#### VERSE 2:

I know that you're telling her,  
that you're fed up with me  
I know that I'm not cool enough  
and I'm just not worth it  
heey, it's almost christmas,  
it's the time that I can handle it

#### BRIDGE

#### CHORUS

I know, I'm a finicky girl  
I'm not worth (it)  
it's not a sin (that you're in)  
it's myself who isn't alive (this time)  
work it out, don't stop now  
babe you'll gonna do it (ey)
