VERSE 1:

It's right, what I'm telling you now
I am fed up with this world
It's not a lie, it's not a sin
It's the truth and it's revealed
people, tell me has living any sense?
everybody tries to act like someone they aren't

BRIDGE:

Don't try to catch me,
I already decided what to do
don't dare to blame me,
I am gone and so are you

CHORUS:

Babe, it's time for you to let me go
it's true, I am fed up and so are you
I don't wanna play in this mad game
I'm about to become mentally ill
it's not healthy for me to stay
and so not for you
I'm not doing you
(good)

VERSE 2:

I don't wanna get in your footsteps
you all are scaring me
maybe it's paranoid, but it's true
I didn't wanna die this way, I'm sorry
but today I looked in the mirror
and saw what I'll becoming (slowly)

BRIDGE

CHORUS

I didn't want to scare you
but you have to realize the truth
finally
I'm up to share it with you
yeah, it's true
baby

CHORUS
