(verse 1)

Every year at Christmas all I can see,
are pictures of the things I want around the tree.
But this year's a little different,
I'm not thinking of myself.
So my prayer for this Christmas is for somebody else.

(Chorus)

So I pray...
Joy to the world,
peace for every boy and girl.

(verse 2)

God I know you're listening and you can clear
the need of every broken heart and all their tears.
I don't have a lot to offer,
just this one simple prayer
that this Christmas everyone would know somebody
cares.

(Chorus)

So I pray...
Joy to the world,
peace for every boy and girl.
Hope when life is hard,
light when everything seems dark.

I pray that every hungry soul
will be fed and will be warm.
That not a single solitary child would suffer on.
and Lord will find their ending
as we take another view.
My hope is that this Christmas prayer would somehow
come true.

(Bridge)

I pray humanity would rise and join with me
and together we'll sing.

(Chorus)

(Whoa joy)
Joy to the world

(to all the world)
peace for every boy and girl.
(Talkin' 'bout hope)
Hope when life is hard
(when life is hard),
light when everything seems dark.

I pray (I pray, yeah) that every hungry soul
will be fed and will be warm.
(every single child)
That not a single solitary child would suffer on.
(never suffer on)
And Lord will find their ending as we take another view.
(can we take another view?)
My hope is that this Christmas prayer would somehow
come true.

Joy to the world,
peace for every boy and girl.
