There's a man dying on the side of the road,
Won't make it home tonight,
He was driving fast on a cellular phone
That's how he lived his life.

Mmhhmm

While he was hanging by a thread these were the final
words he said,
My girl turned sweet sixteen today she's beautiful, so
beautiful,
It might get rough some times but I hope she keeps her
faith
(hope she keeps her faith)
I wish I had the chance to say to her
Life is so short, so take the time and appreciate.

And there's a woman crying on the kitchen floor, she
got a call tonight
And she trembling out side her daughters door
Wondering if now's the time,
Mmhhmm
Wondering how and where to start
Is there a way to shield her heart

My girl turned sweet sixteen today she's beautiful, so
beautiful,
It might get rough some times but I hope she keeps her
faith

(hope she keeps her faith)
I wish I had the chance to say to her
Life is so short, so take the time and appreciate.

Is anybody loving
(Loving, loving, loving)
Get hurt along the way don't be afraid to open up
(open up, open up)
And use the time you have before it fades
Show your love today

Oooh

My girl turned sweet sixteen today she's beautiful, so
beautiful,
It might get rough some times but I hope she keeps her
faith
(hope she keeps her faith)
I wish I had the chance to say to her
Life is to short, so take the time and appreciate.

My girl turned sweet sixteen today she's beautiful, so
beautiful,
It might get rough some times but I hope she keeps her
faith
(hope she keeps her faith)
I wish I had the chance to say to her
Life is to short, so take the time and appreciate.
