Woo. Come on.
You Ready? Here we go.

First day at school, I was trying to play it cool.
Chilling with my friends, trying to pretend that I didn't notice you.
Three rows second to the left, with your big brown eyes, and your brand new dress.
Right then I saw My dream come true.

Cause my knees got weak, knocked off my feet, tried but I couldn't find the words to speak,
I can't let go my heart it says woah, girl I gotta let you know.

I got this oh so amazing crazy kinda crush on you, and though I try to forget you it doesn't
Matter what I do, your on my mind all the time, its a crime I can't deny its true, cause I got
This oh so amazing crazy kinda crush on you.
Crazy, Crazy, Crush on you.

On the bus ride home, I saw you were alone, so I took my chance asked you too the dance,
And prayed you wouldn't say no.
Oh I just can't wait for friday night gonna hold your hand when the time is right, cant help
But let my feelings show.
Yeah I'm gonna walk you home, talk on the phone,
Tell you how im feelin' when were you're alone gonna jump and shout sing it out loud girl im gonna bring it all out.

Cause I got this oh so amazing crazy kinda crush on you.
(Crazy kinda crush on you)
And though I try to forget you it doesn't matter what I do,
your on my mind all the time its a crime I cant deny its true, cause I got this oh so amazing crazy kinda crush on you.
(Crazy, crazy,crazy, crazy, crush on you).

(Woo eyey. Crazy kinda crush on you.)
Cause my knees got weak, knocked off my feet, tried
but I couldn't find the words to speak,
I can't let go my heart it says woah, girl I gotta let you
know.

I got this oh so amazing crazy kinda crush on you.
(Crazy kinda crush on you)
And though I try to forget you it doesn't matter what I
do (doesn't matter what I do),
You're on my mind all the time it's a crime I can't deny it's
true (can't deny it's true),
Cause I got this oh so amazing crazy kinda crush on
you
(Crazy crazy crush on you, crazy crazy crush on you.)
