Think about it,
There must be higher love.
Down in the heart or hidden in the stars above.
Without it,
Life is wasted time.
Look inside you're heart and I'll look in mine.

Things look so bad everywhere.
In this whole world what is fair?
We walk the line and we try to see.
Fallen behind what could be?

Bring me a higher love.
Bring me a higher love.
Bring me a higher love.
Where's that higher love I keep thinking of?

The worlds turning,
And we're just hanging on.
Facing out fear,
Standing out there alone.
Yearning, and its real to me.
Must be someone
Who's feeling for me.

Things look so bad everywhere.
In this whole world what is fair?
We walk the line and we try to see.
Fallen behind what could be?

Bring me a higher love.
Bring me a higher love.
Bring me a higher love.
I've got higher love, higher love.

I will wait, forever.
I'm not too late for bed.
Until then I'll sing my song.
To spend the night alone.

Bring me a higher love.
Bring me a higher love.

Bring me a higher love.
Where's that higher love I've been thinking of?

Bring me a higher love.
Bring me a higher love.
Bring me a higher love.
Where's that higher love I keep thinking of.

Bring me a higher love. (Bring me a higher love)
Bring me a higher love. (Whoohoo!)
Bring me a higher love. (Bring me a higher love)
Bring me a higher love.

Bring me a higher love.
Bring me a higher love.
Bring me a higher love
