If the heart is always searchin
Can you ever find your home ?
I have been looking for that someone
I can't make it on my own
Dreams can take the place and love in you
there's gotta be a million reasons why its true
When you look me in the eyes
and tell me that you love me
everythings alright
when you're right here by my side
when you look me in the eyes
I catch a glimpse of heaven
I find my paradise
when you look me in the eyes
how long will I be waiting
to become a better man
Gonna tell you that I love you
in the best way that I can
I can't take a day without you here
You're the light that makes my darkness disappear
When you look me in the eyes

and tell me the you love me
every things alright
when you're right here by my side
when you look me in the eyes
I catch a glimpse of heaven
I find my paradise
when you look me in the eyes
Everyday I start to realize
I can reach my tomorrow
I can hold my head up high
It's all because your by my side
When you look me in the eyes
and tell me that you love me
everythings alright
when you're right here by my side
when you look me in the eyes
I catch a glimpse of heaven
I find my paradise
when you look me in the eyes
and tell me that you love me
Everythings alright
when your right here by my side
And when you look me in the eyes
I catch a glimpse of heaven
I find my paradise

when you look me in the eyes
