We're the kids in America
hands in the air-ica
out of control
(hey hey hey)
We're smoking the chronic
we're hooked on the phonics
we eat rock n roll
(hey hey hey)

so you better not waste our time
mixing it up with salt and lime
now we're starting the show
are you ready to go?
we gonna dance until the morning light
and now we're singing

(eyo)
feel so alive we're young and free
(eyo)
and if for one night only
(oh woah)
we got the key to the city
we got the key to the city
(eyo)
out on the town there'll be no sleep
(eyo)
Because for one night only

(oh woah)
we got the key to the city
we got the key to the city

We serve gallerias
with all our ideas
they don't understand
(hey hey hey)
we're chasing the paper
cuz sooner or later
we know that we can
(hey hey hey)

so you better not waste our time

me and my crew don't wait in lines
now we're starting the show
are you ready to go?
we gonna dance until the morning light
and now we're singing

now you got it x's 4
now he's got it x's 4
now she's got it x's 4
now we got it x's 4
