A little femme-femme-femme-femme body

DJ come to my rescue
It's down to the sound of a heartbeat
I knew the moment I met you
You were na-na-na-na-naughty
DJ come to my rescue
Let's pound to the metal in your backseat
I knew the moment I met you
You were gon-gon want my body

Hands, hands up
Get your fucking hands up
Hands, hands up
Get your fucking hands up
Hands, hands up
Get your fucking hands up
Hands, hands up
A little femme-femme-femme-femme body

Let's get naughty, naughty
Let's get naughty, naughty
Let's get naughty, naughty
I wanna get naughty, naughty
Whoa naughty, naughty
Let's get naughty, naughty
Let's get naughty, naughty
Let's get naughty, naughty
I wanna get naughty
Will you touch me
Just touch me
Show me your heart
Will you touch me
Just touch me
Show me your heart

All my hoes touch your toes
I said all my hoes touch your toes

DJ spin me with your fingers
Flip me over like a pancake
Hold on-on and remember

Dip-dip-dip-dip-dip it in my milkshake
It fucks with you cause of bright light
MJ does it on A days
I really wanna ride your train all night
But I don't wanna have your babies

Hands, hands up
Get your fucking hands up
Hands, hands up
Get your fucking hands up
Hands, hands up
Get your fucking hands up
Hands, hands up
A little femme-femme-femme-femme body

Let's get naughty, naughty
Let's get naughty, naughty
Let's get naughty, naughty
I wanna get naughty, naughty
Whoa naughty, naughty
Let's get naughty, naughty
Let's get naughty, naughty
Let's get naughty, naughty
I wanna get naughty
Will you touch me (Hands, Hands up, Get your fucking
hands up)
Just touch me (Hands, Hands up)
Show me your heart (Get your fucking hands up)
Will you touch me (Hands, hands up, get your fucking
hands up)
Just touch me (Hands, hands up)
Show me your heart (Get your fucking hands up)
Oh!

Naughty, naughty
Let's get naughty, naughty
Let's get naughty, naughty
I wanna get naughty, naughty
Whoa naughty, naughty
Let's get naughty, naughty
Let's get naughty, naughty
Let's get naughty, naughty
I wanna get naughty
