You sold me out
Tell me was it worth it
What comes around, girl you gon deserve it
When I had your back, you would act like you really
care
Stabbed in the back, it's a fact that you put it there
Take it out, now, Cut your steak with it

Money makes the girl go round(cha-ching cha-ching)
Money makes the girl go round(cha-ching cha-ching)
Bitch will holler for that dollar, green is such a pretty
color
Money makes the girl go round(cha-ching cha-ching)

It's not bout cash, no matter how you school it
You can't buy class, you never could afford it(never
could afford it)
You go to sleep, there's a creep, does it eat your mind?
Talking is cheap, so don't speak cause you can't rewind
Shut your mouth, go suck his dick with it
(Bitch)

Money makes the girl go round(cha-ching cha-ching)
Money makes the girl go round(cha-ching cha-ching)
Bitch will holler for that dollar, green is such a pretty
color
Money makes the girl go round

When you know it's such a shame
It didn't have to end this way, girl you can keep the
change
Cause I'll be balling anyway, don't you even trip

Money makes the girl go round
Money makes the girl go round(round)
Money makes the girl go round(cha-ching cha-ching)
Money makes the girl go round(cha-ching cha-ching)
Bitch will holler for that dollar, green is such a pretty
color
Money makes the girl go round(cha-ching cha-ching)
Money makes the girl go round(round)
Money makes the girl go round(round)

Bitch will holler for that dollar, green is such a pretty
color
Money makes the girl go round(cha-ching cha-ching)

Money makes the girl go round
Money makes the girl go round
