Woke up, wrecked, head case, basket  
I need my Starbucks Frappuccino ASAP  
I need a (?) I need to shut his trap  
Hit the studio rockin', them wannabes jockin'

I'm young I got my hunger than all of them b\*tches  
Eat 'em up 5 dollar foot long sandwiches  
And it's on with my bad self, on with my bad self, on  
with my bad self  
Yea it's on with my bad self, on with my bad self, on  
with my bad self

Top down, favorite song, banging on the radio  
And I was like oh-oh-oh, no care in the wo-oo-orld!  
I'm bubbling up  
Down town, the sun is up, banging on the radio  
And I was like oh-oh-oh, no care in the wo-oo-orld!  
I'm bubbling up

Saw your video, ripoff  
Sticky hands, lip gloss  
Gotta write Jeff Clay right quick  
How do you spell plagiarism  
Hhmmm, I don't know

Fresher than the breeze but I like my beat spanky  
With my toy boy crew and we keepin' it swanky  
Same people said nice done yea, now they wanna hit  
me  
Too busy having fun on tour with Brit-uh-nay-uh!  
And it's on with my bad self, on with my bad self, on  
with my bad self  
Yea it's on with my bad self, on with my bad self, on  
with my bad self

Top down, favorite song, banging on the radio  
And I was like oh-oh-oh, no care in the wo-oo-orld!  
I'm bubbling up  
Down town, the sun is up, banging on the radio  
And I was like oh-oh-oh, no care in the wo-oo-orld!  
And I was like oh-oh-oh, no care in the wo-oo-orld!

I'm bubbling up

I guess this is the part where I tell you to get your  
hands up  
So get 'em up up up up...

And I was like oh-oh-oh, no care in the wo-oo-orld!  
On with my bad self, on with my bad self  
On with my bad self, on with my bad self

Top down, favorite song, banging on the radio  
And I was like oh-oh-oh, no care in the wo-oo-orld!  
I'm bubbling up  
Down town, the sun is out, banging on the radio  
And I was like oh-oh-oh, no care in the wo-oo-orld!  
I'm bubbling up

Top down, favorite song, banging on the radio  
And I was like oh-oh-oh, no care in the wo-oo-orld!  
I'm bubbling up  
Down town, the sun is up, banging on the radio  
And I was like oh-oh-oh, no care in the wo-oo-orld!  
And I was like oh-oh-oh, no care in the wo-oo-orld!  
I'm bubbling up
