Turn on the lights,
so i can see, see what i'm doin' girl.

Lovin' the way how you move, oh why'd you do that girl.

Minus those shoes, 'cause tonight im gonna be your
traction girl, traction girl.

I love my girl,
lovin the way i rock your world.

Pull on your hair cause you love when, when i do that
girl, tonights a special night for us, it feels like heaven
girl.

Work my way down, cause your itchin for me to
penetrate, grab your waist, hands on place. Push and
push n'till it breaks.

Nothin like a very first time,
ain't nothin like a very first time,

I really love you.
I really love you.

Ain't nothin like a very first time,
ain't nothin like a very first time,
[CPR Lyrics On]
I really love you.
I really love you.

Your starin' at me wit' your pretty face,
like boy just hold me, boy your insida' me. I stop you
'cause i know what your gonn' say,

"just say you love me, boy say you love me",

Girl, i never thought i'd see you in this way, waitin for
this day, now i know were gonn' spend the rest of our
life, and you need to know that i really, really, really,

I really love you, baby.
I really love you, baby.

Ain't nothin like a very first time,
ain't nothin like a very first time,

I really love you.
I really love you.

Ain't nothin like a very first time,
ain't nothin like a very first time,

I really love you.
I really love you.
