Josh Xantus ft. Ghosface Killah - I Don't Care..

I don't care.. if i never get over you..

I don't care.. if i never get over you..

Yow yow.. you maid have seen me in the park around a  
bunch off masters..

Sitting on a bench.. max and you on my conscience..

Steppin out the shower..

your ass is cold.. sometimes i even beat off a  
phenomenal rol.

Phone sex.. slow neck..

my joint get dees.. like you did cornels on the both flex.

There aint no other chick that can make me  
comfortable..

we designed for eachother thats why i fuck with you..

Shorty i miss you..

and i no you miss me too..

baby i love you..girl

thats why can't get over you

and it's ok to be..

start gonna shorty like you..

and i dont care baby.. won't let prycare to me.

Damn i miss my baby,

it's driving me so crazy

thinking 'bout you lately.. let us be..

And i swear that its making me crazy..

that i aint got my baby..

hitt me with a playback..

come back too me..come back too me..

I don't care.. if i never get over you..

I don't care.. if i never get over you..

I don't care.. if i never never find someone..

I don't care.. if i never get over you..

Look look..i've never met such a love..

as specially with a girl like you..

i've never felt such a touch..  
as specially when i put it in you(ooh baby)  
you're an angel send straight from above.  
cause an angel girl i see in you..  
show me what it means to love..  
and what is..that makes is you..

Damn i miss my baby,  
it's driving me so crazy..  
thinking 'bout you lately.. let us be..  
And i swear that it's making me crazy..  
that i ain't got my baby..  
hit me with a playback..  
come back too me..come back too me

Yeaah i wonder what you doing when you ain't around  
me..  
are you keeping it moving on the male groupies  
you ain't got to say jack to them,  
when they say peace..  
keep it moving with your motherfucking back to them..  
I'm the jealous type and mistakes i made.. the make a  
split realize got a brothertype..  
and i don't care  
if i ever get over you  
you can get fat and i still stay close to you!

I don't care.. if i never get over you..  
I don't care.. if i never get over you..

I don't care.. if i never never find someone..  
I don't care.. if i never get over you..

I don't care, I don't care baby  
I don't care, I don't care, I don't care baby

I don't care Girl..
