We've been going through things  
Straight from the beginning  
Started noticing change  
But I'm sorry girl I can't explain  
The thought of me just loosin you  
It's something that I couldn't do  
But if it wasn't for me girl  
I guess we would have been through, baby

Girl I've tried to beg, beg  
At you to stay girl  
But you chose instead, stead  
To go separate ways girl  
And baby this is killing me

[Chorus]

Wake me if I'm dreaming, girl  
You're making it tough for me to breathe  
Wake me if I'm dreaming, girl  
This kind of love achin for me  
Wake me if I'm dreaming, dreaming, dreaming  
Wake me if I'm dreaming, dreaming, dreaming  
Wake me if I'm dreaming, girl  
Makin it hard for me to sleep

Everytime I ask myself why you act like that  
This pain so real it's feelin like a heart attack  
For 7 years I had you fighting the pain  
And all you like to do is serve back in from you  
Why you wanna ruin my life  
You haven't start brand new  
I don't wanna see inside

I'm in love girl, so in love girl  
I'm in love girl, so in love girl  
I'm in love girl, but you're not in love with me  
With me

[Chorus]

Wake me if I'm dreaming, girl  
You're making it tough for me to breathe

Wake me if I'm dreaming, girl  
This kind of love achin for me  
Wake me if I'm dreaming, dreaming, dreaming  
Wake me if I'm dreaming, dreaming, dreaming  
Wake me if I'm dreaming, girl  
Makin it hard for me to sleep.
