There are times when faith and common sense do not align,
when hard core evidence of you is hard to find,
and I am silenced in the face of argumenative debate,
and
it's a long hill it's a lonely climb. Cause they want proof,
They want proof of all these mysteries I claim. Cause
only
fools would want to chant a dead man's name.
Maybe it's true, yeah but....

Chorus:

I would be a fool for You, all because You asked me to.
A simpleton who's seemingly naive,
I do believe, You came and made Yourself a fool for
me.

I admit that in my darkest hours I've asked what if,
What if we created some kind of man made faith like
this,
Out of good intention or emotional invention,
and after life is through there will be no You.
Cause they want proof of all these miracles I claim,
Cause only fools believe that men can walk on waves.
Maybe it's true, yeah but...

(Repeat Chorus)

Unaware of popularity,
and unconcerned with dignity,
You made me free.
That's proof enough for me.

(music break)

I would be a fool for You(fool for you)
Only if You asked me to,
A simpleton who's only thinkin' of
your cause of love.

I will speak Jesus' name(fool for you).

If that makes me crazy,
they can call me crazed,
I'm happy to be seemingly naive,
I do believe, You came and made Yourself a fool for
me.

(music break)

A fool for you.
