How many roads did I travel
Before I walked down one that led me to You?
How many dreams did unravel
Before I believed in a hope that was true?
How long? How far?
What was meant to fulfill only emptied me still
And all you ever wanted...

Only me, on my knees
Singing holy, holy
And somehow all that matters now is
You are holy, holy.

How many deaths did I die
Before I was awakened to new life again?
How many half-truths did I bear witness to,
'til the proof was disproved in the end?
How long? How far?
What was meant to illuminate, shadowed me still
And all you every wanted...

Only me, on my knees
Singing holy, holy
And somehow all that matters now is
You are holy, holy

And all I have is gratitude to offer You.

Holy, Holy
Somehow all that matters now is you are holy

You are holy, holy
Somehow all that matters now is
You are holy, holy

Only me on my knees
Singing holy, holy
And somehow all that matters now is
You are holy, holy

Holy,
Holy,

Holy.
