Pencil marks on a wall, I wasn't always this tall
You scattered some monsters from beneath my bed
You watched my team win
You watched my team lose
Watched when my bicycle went down again
And when I was weak, unable to speak
Still I could call You by name
And I said, Elbow Healer, Superhero
Come if You can
You said, I Am
Only sixteen, life is so mean
What kind of curfew is at 10pm?
You saw my mistakes
And watched my heart break
Heard when I swore I'd never love again
And when I was weak, unable to speak
Still I could call You by name
And I said Heartache Healer, Secret Keeper
Be my best friend
And you said, I Am
You saw me wear white by pale candlelight
I said forever to what lies ahead
Two kids and a dream, with kids that can scream
Too much it might seem when it is 2am
And when I am weak, unable to speak
Still I will call You by name
Shepherd, Savior, Pasture Maker
Hold onto my hand
You say, I Am
The winds of change and circumstance blow in and all
around us
So we find a foothold that's familiar
And bless the moments that we feel You nearer
When life had begun, I was woven and spun
You let the angels dance around the throne
And who can say when, but they'll dance again
When I am free and finally headed home
I will be weak, unable to speak
Still I will call You by name
Creator, Maker, Life Sustainer
Comforter, Healer, my Redeemer
Lord and King, Beginning and the End

I Am
Yes, I Am
