Love is a hurricane in a blue sky,
I didn't see it coming, never knew why.
All the laughter and the dreams,
All the memories in between,
Washed away in a steady stream.

Love is a hunger, a famine in your soul.
I thought I planted beauty, but it would never grow.
Now I'm on my hands and knees,
Trying to gather up my dreams,
Trying to hold on to anything.
We could shake a fist in times like this
When we don't understand or we could just hold hands.

You and me, me and you,
Where you go, I'll go too,
I'm with you, I'm with you.
Till your heart finds a home,
I won't let you feel alone,
I'm with you, I'm with you, with you.

You do your best to build a higher wall.
To keep love safe from any wrecking ball.
When the dust has cleared, we will
See the house that love rebuilds,
Guarding beauty that lives here still.

It's you and me, me and you,
Where you go, I'll go too,
I'm with you, I'm with you.
Till your heart finds a home,
I won't let you feel alone,
I'm with you, I'm with you, with you.

Who can say I'm left with nothing?
When I have all of you, all of you, yeah.
In the way you've always loved me.
I remember, He does too.

It's you and me, me and you,
Where you go, I'll go too,

I'm with you, I'm with you.
Until your heart finds a home,
I won't let you feel alone,
I'm with you, I'm with you.

It's you and me, me and you,
Where you go, I'll go too,
I'm with you, I'm with you.
Till your heart finds a home,
I won't let you feel alone,
I'm with you, I'm with you, with you.
