Is it any wonder  
That she would feel less than real  
When she reveals what is clearer  
In her mirror

Take a look around her  
Magazines, glamor queens  
Waistline dreams in her diary  
So inspiring

Nobody told her  
That little girls  
Don't have to have  
The softest curls for love

So what ever's left inside her  
Is gonna smile wider, shine brighter  
Until she gets pulled under  
Is it any wonder

Is it any wonder  
That he's obsessed with what is best  
And nothing less, he's a hero  
With six zeros

Take a look around him  
His wallet size and what he drives  
Will symbolize how he's made it  
How they'll grade it

Nobody told him  
That little boys  
Don't have to have  
The fastest toys to win

So what ever's left inside him  
Is gonna keep on tryin', to keep on buyin'  
Until he gets pulled under  
Is it any wonder

Will somebody tell her  
There's a love

That can't be glamorized

Tell him there's a hope  
That won't be downsized  
Someone tell them  
That the billboards lie, all the time

'Cos what ever's left inside her  
Is gonna smile wider  
And what ever's left inside him  
Is gonna keep on tryin'  
Until they get pulled under  
Is it any wonder

Is it any wonder  
Is it any wonder  
Is it any wonder

What ever's left inside her  
Is it any wonder  
Is it any wonder  
Until they get pulled under  
Is it any wonder
