I'm lookin' at you, lookin' at me
Lookin' for love that comes with a guarantee

I don't need another friend tryin' to tell me something
I don't need somebody's expert advice
When just another two cents still adds up to nothin'
I get away to find a place to close my eyes

And I don't need somebody new on the television
Send your money and we'll send you a new life
And I don't need your tried-and-true paperback edition
The one that fixed you overnight

I'm lookin' at you, lookin' at me
Lookin' for love that comes with a guarantee
What if I knew all that I need
Is held in a hand that'll always offer me this love

And I don't have to waste my time wonderin' who will
love me
I don't need to look for some kind of clue
It isn't written in my sign or the stars above me
It isn't hidden in the blue

I'm lookin' at you, lookin' at me
Lookin' for love that comes with a guarantee
What if I knew all that I need
Is held in a hand that'll always offer me this love

I'm lookin' at you, lookin' at me
Lookin' for love that comes with a guarantee
What if I knew all that I need
Is held in a hand that'll always offer me this love
Yeah, this love

I'm not tryin' to set an expectation
I'm not askin' for the moon
I just need a little confirmation, something true

Lookin' at you
I'm lookin' at you, lookin' at me
Lookin' for love that comes with a guarantee

What if I knew all that I need
Is held in a hand that'll always offer me this love

I'm lookin' at you, lookin' at me
Lookin' for love that comes with a guarantee
What if I knew all that I need
Is held in a hand that'll always offer me this love
I'm lookin' at you, lookin' at me
