Hush Little Darling
Don't Have Any Fear
For I'm Here To Protect You
When The Stars Fall I'll Be Near
Little Stars Are Shining Up Above
Shining Down For You
To Remind You Of Love

Won't You Save The Last Laugh For Me
Save The Last Laugh For Me

Cause In The End
We're A Small Grain Of Sand
Running Through Fingers
And Blowing Out With The Wind

So Won't You Save The Last Laugh For Me
Save The Last Laugh For Me

Won't You Save The Last Laugh For Me
Save The Last Laugh For Me
Save The Last Laugh For Me
Save The Last Laugh For Me
