I guess the stars were aligned when we met up,  
Cause Baby I,  
I see the Fires in your eyes anytime we touch.  
Sometimes I just wanna go run away and hide,  
But everytime I do,  
You always find a way to come change my mind,  
You're my hero.

I feel like a winner,  
When you're beside me,  
There ain't a thing that I can't be,  
I feel like a winner,  
You're there to guide me,  
Like the wind beneath my wings,  
I feel like a winner,  
Everytime I plan on giving it up,  
You grab my hand and look inside of me,  
To make me feel like a winner,  
Feel like a winner.

There were others,  
That I loved in the past,  
Now I know it didn't last,  
Because we were distant from one another,  
And I don't even have to ask,  
If you got my back,  
'Cause I know the answer to that,  
You got me covered,  
Everybody else is just a memory from long ago,  
And I found love with you here by my side,  
You're my hero.

I feel like a winner,  
When you're beside me,  
There ain't a thing that I can't be,  
I feel like a winner,  
You're there to guide me,  
Like the wind beneath my wings,  
I feel like a winner,  
Everytime I plan on giving it up,  
You grab my hand and look inside of me,

To make me feel like a winner,  
Feel like a winner.

When I'm with you,  
I feel like,  
I can do anything

I feel like I can fly a plane,  
Race a train,  
Travel through the galaxies,  
And make the stars spell out your name,  
I feel like I can climb the highest mountain,  
And reach up into the sky,  
Boy, with you here,  
I can do anything,  
I would give it all,  
Just to feel your touch,  
You're the only one I need,  
It's like you got me star struck,  
Baby Boy I'm part of,  
You're the other part of me,

I feel like a winner,  
When you're beside me,  
There ain't a thing that I can't be,  
I feel like a winner,  
You're there to guide me,  
Like the wind beneath my wings,  
I feel like a winner,  
Everytime I plan on giving it up,  
You grab my hand and look inside of me,  
To make me feel like a winner,  
Feel like a winner.

I feel like a winner,  
When you're beside me,  
There ain't a thing that I can't be,  
I feel like a winner,  
You're there to guide me,  
Like the wind beneath my wings,  
I feel like a winner,  
Everytime I plan on giving it up,  
You grab my hand and look inside of me,  
To make me feel like a winner,  
Feel like a winner.
