Say whats your name, name , name  
Tell me whats your name girl, tell me whats your name  
girl  
Say whats your name, name , name  
Tell me whats your name girl, tell me whats your name  
girl  
Say whats your name, name , name  
Tell me whats your name girl, tell me whats your name  
girl  
Tell me whats your name, name

I seen this cutie she was steppin my way,  
feelin kinda nervous and i hope i dont get played,  
so let put my game face on,  
focused im in my zone,  
no time for runnin back,  
ima, ima go get her and thats a fact,  
i gottah have her, (Woohoo)  
it doesnt matter (Woohoo) (it doesnt matter )  
Baby can you tell me just one thing!

Say whats your name, name,name  
Tell me whats your name girl, (yeah) tell me whats your  
name girl  
Say whats your name, name,name  
Tell me whats your name girl, (yeah) tell me whats your  
name girl  
Say whats your name, name,name  
Tell me whats your name girl, (yeah) tell me whats your  
name girl  
tell me whats your name, i just wanna know your name  
Tell me whats your name girl tell whats your name girl  
tell me whats your name, name

Say whats your name shorty,  
do you have a man shorty,  
can i take you out sometime,  
me and you anywhere anytime,  
i know you herd this before,  
i rather started to talk,  
That man just broke your heart,  
bring it back right to the start,

im gonna warn ya (Hey)  
i really want cha (Hey)

ima tell you one more time,  
i wanna no your name,

Say whats your name, name,name  
tell me whats your name girl, (yeah) tell me whats your  
name girl  
Say whats your name, name,name  
tell me whats your name girl, (yeah) tell me whats your  
name girl  
Say whats your name, name,name  
tell me whats your name girl, (yeah) tell me whats your  
name girl  
tell me whats your name i just wanna know your name

come here ma talk to me for a sec,  
cause you aint had the chance to ride with a brother  
yet,  
let me whisper alil somethin somethin in your ear,  
like twister i get it wet,  
she says she likes it fast,  
she says she like it slow,  
she says she like it from the back from the guess a go,  
get it on the bed,  
get it on the floor,  
so whats your name in shorty let me know,

Say whats your name,name,name  
tell me whats your name girl,(yeah,yeah) tell me whats  
your name girl  
Say whats your name,name,name  
tell me whats your name girl,(yeah,yeah) tell me whats  
your name girl  
Say whats your name,name,name  
tell me whats your name girl,(yeah,yeah) tell me whats  
your name girl  
tell me whats your name i just wanna know your name

tell me whats your name girl tell me whats your name  
girl  
tell me whats your name, name, name  
what you say your name was again baby haha alright
