Put the lime in the coconut and twist it all up (x3)
Twist it all up
Twist it all up

Everybody in the party
Hold your cup high, move your body
If you twist it scream it loudly!
Hey ay, ay, ay
Hey ay, ay, ay

Coconut juice got me real loose like
Like, got me leaning 3 thousand proof like
Coconut juice all on the dance floor
Fellas let your ladies go
Ladies let your Fellas go

Come back, went straight to the club
Entrance no charge cause we late to the club
Umm yes, we don't stand in the club
G-e-t on the couch pouring drinks on the rug
What a mess, but we cleanin the club
Ice so bright make a fight scene in the club
Don't test, cause there's beams in the club
Red beams in the club leave your jeans full of blood

Coconut juice got me real loose like
Like, got me leaning 3 thousand proof like
Coconut juice all on the dance floor
Fellas let your ladies go
Ladies let your Fellas go

Put the lime in the coconut and twist it all up (x3)
Twist it all up
Twist it all up

I'm back, DJ - can I get a replay?
Hey ay, ay hey
Ay, ay, ay, hey

And he said: "I'm getting every dollar on GED"
V I, important person, (raps) most important person
So po' it, an I'm up in this thing with my thing up

An she shaking that thing her momma gave her

Coconut juice got me real loose like
Like, got me leaning 3 thousand proof like
Coconut juice all on the dance floor

Put the lime in the coconut and twist it all up (x3)
Twist it all up

Everybody in the party hey
Hold your cup high move your body

Ha, hope you're not tired - this is just a breakdown!
Break it down like Britney
Forgive me, but I said it
Something someting something
Crazy bald head
Jump up if you love it no guns in this place
So what he's my cousin sexy runs in the family!

Coconut juice got me real loose like
Got me leaning 3 thousand proof like
Coconut juice all on the dance floor
Fellas let your ladies go
Ladies let your Fellas know

Put the lime in the coconut and twist it all up (x3)

Twist it all up
