Don't fence me in

Oh give me land, lots of land under starry skies above
Don't fence me in
Let me ride through the wide open country that I love
Don't fence me in
Let me be by myself in the evening breeze
Listen to the murmur of the cottonwood trees
Send me off forever but I ask you please
Don't fence me in

Just turn me loose
Let me straddle my old saddle underneath the Western
skies
On my cayuse
Let me wander over yonder 'til I see the mountains rise
I want to ride to the ridge where the West commences
Gaze about the moon until I lose my senses
Can't look at hobbles and I can't stand fences
Don't fence me in

Just turn me loose
Let me straddle my old saddle underneath the Western
skies
On my cayuse
Let me wander over yonder 'til I see the mountains rise
I want to ride to the ridge where the West commences
Gaze about the moon until I lose my senses
Can't look at hobbles and I can't stand fences
Don't fence me in

Don't fence me in

Don't you fence me in
