Oh I can't believe my eyes.
I'm at a loss of words to say.
I'm getting butterflys.
My mind's running out of place.
I can wait for you, if you want me to.
wheres the tylenol, to cure this flu

No jk, jk, rofl.
It's a known fact, gentlemen don't kiss and tell.
I think I'm an exclusion
I wanna tell the world about our illusion.
Extra, extra,
Read all about.
There's feeling between us
So lets get out and shout it.

One step
Two step
Two step to Three

You told me that you loved me
Then you asked what I did today
I said baby, are you tired?
Cause you've been running through my mind all day.

No jk, jk, rofl.
It's a known fact, gentlemen don't kiss and tell.
I think I'm an exclusion
I wanna tell the world about our illusion.
Extra, extra,
Read all about.
There's feeling between us
So lets get out and shout it.

Would you say yes,
If I asked you to marry me?
Because it's on my calendar
Marked July 15th

I'm wishing on the stars
That you'd be mine
And I'll wish on all of them

One at a time

No jk, jk, rofl.

It's a known fact, gentlemen don't kiss and tell.

I think I'm an exclusion

I wanna tell the world about our illusion.

Extra, extra,

Read all about.

There's feeling between us

So lets get out and shout it.

Extra, extra,

Read all about.

We'll last forever

Aint no doubt about it
