I understand  
that you don't understand  
everything I touch  
seems to get out of hand  
if you want space  
I guess i'll fly to the moon  
then fall back to California  
25 after noon

I'm kind of amused  
that your kind of confused  
who was being accused  
of being excused  
I'm sorry if apologies  
don't mean anything to you  
I understand  
that you don't understand  
what I'm feeling inside  
isn't visible  
I'll try and I'll try  
and I'll try again  
but no matter what I do  
I wont be visible  
to you, for you  
i'll pack my bags and  
I'll never look back  
to you, for you  
I'll put the pedal to the medal  
down highway 405  
I understand that  
you don't understand  
everything I touch  
seems to get out of hand  
if you want space  
I guess I'll fly to the moon  
then fall back to California  
25 after noon

I'm kind of amused  
that your kind of confused  
who was being accused  
of being excused

I'm sorry if apologies  
don't mean anything to you  
everything I touch  
seems to get out of hand

everything I imagined  
didn't go as planned

I wanted some velvet  
but got some cotton

these cold winter nights  
should be forgotten

but you, only you  
could hold me back

but you, only you  
could manage to keep your head up

only you  
but you  
for you  
to you

I understand  
that you don't understand  
everything I touch  
seems to get out of hand  
if you want space  
I guess i'll fly to the moon  
then fall back to California  
25 after noon

I'm kind of amused  
that your kind of confused  
who was being accused  
of being excused  
I'm sorry if apologies  
don't mean anything to you  
I understand  
that you don't understand  
everything I touch  
seems to get out of hand  
if you want space  
I guess i'll fly to the moon  
then fall back to California  
25 after noon

I'm kind of amused  
that your kind of confused

who was being accused  
of being excused  
I'm sorry if apologies  
don't mean anything to you...
