(It's Keely, baby)  
Hey, yeah!  
Oh, oh, oh  
Oww...

#### Verse 1

When the lights are down  
You can kiss me, touch me anywhere  
Cuz, I don't really care  
And when we're in a private room  
Just me and you  
We can go wild and out  
Oh, oh

Boy, I don't care what you do to me  
As I long as I can do it back

#### Chorus

Oh yeah  
You can touch me  
Kiss me  
Love me  
Miss me  
Feel me  
Breathe me  
Because I want to do the same to you  
Oh boy, won't you give it to me  
And I'll give it to you

#### Verse 2

Yeah, you've got me up against the wall  
And you're pushing yourself against me  
To you, I'll give my all  
'Cause I know you want me

Now we're on your bed  
Our bodies on each other

#### Chorus

(Hey sexy boy)  
You can touch me

Kiss me  
Love me  
Miss me  
Feel me  
Breathe me  
Because I want to do the same to you  
Oh boy, won't you give it to me  
And I'll give it to you

You can touch me  
Kiss me  
Love me  
Miss me  
Feel me  
Breathe me  
Because I want to do the same to you  
Oh boy, won't you give it to me  
And I'll give it to you

Oh yeahh...  
I'll give it to you  
You can give it to me  
Yeah, yeah  
Give it to you...
