Hey, hey everybody, let's have some fun  
You live but once  
And when you're dead you're done, so  
So, Let the good times roll, let it roll roll roll  
Don't care if you're young or old  
Let the good times roll

Don't sit there mumblin', talkin' trash  
If you wanna have a ball  
You gotta spend some cash,  
So, Let the good times roll, let it roll roll roll  
Don't care if you're young or old  
Let the good times roll

Hey hey little Susie, lock up all the doors  
When the police comes around  
Just tell 'em that the joint is closed  
So, Let the good times roll, let it roll roll roll  
Don't care if you're young or old  
Let the good times roll

Hey hey everybody  
Little Keely's in town  
I got a dollar and a quarter  
And I'm rarin' to clown  
Don't let nobody play me cheap  
I got half a dollar more that I'm gonna keep, so

So, Let the good times roll, let it roll roll roll  
Don't care if you're young or old  
Let the good times roll

Makes no difference if it's rainy weather  
Birds of a feather will flock together  
So c'mon all you swingers  
And let the good times roll
