## Verse 1

I think it's time for me to say this  
'Cause I've had enough  
And I just can't take it  
It's too much to handle  
And you were always gone all the time  
What kind of love is that?  
Yeah, do you know how much I've cried  
Don't you know I'm not coming back..

## Chorus

Baby, it's my time  
To say goodbye  
Yeah, I'll be the one leaving  
You've said it too many times before  
And I just couldn't take it anymore  
Now it's your turn  
To get burned  
Oh, you'll be the one pleading, now

Yeah, you'll be the one  
pleading now  
(Pleading now..)

## Verse 2

No matter what you say or do  
I'm still not coming back  
Yeah, I'll try and find a better life without you  
Because I am better off that way  
Don't say that you love me  
And you're sorry  
'Cause I know that you're not  
Oh, don't say that everything will be okay  
That you will change  
But you know that you won't  
Ohh...

## Chorus

Hey baby, it's my time  
To say goodbye  
Oh, I'll be the one leaving

You've done it too many times before  
And I just couldn't take it anymore  
Now it's your turn  
To get burned  
Yeah, you'll be the one

Bridge

PLEADING!!!

Yeah, don't try to beg me to come back  
Because I have had enough  
And this was all too much...  
(This was all too much)

So don't say that you love me  
And you're so sorry  
'Cause you and I know that you're not  
Yeah, don't tell me it will all be okay  
That you and everything will change  
Because we both know that it won't  
At all..

Baby, it's my time  
To say goodbye  
Yeah, I'll be the one leaving  
You've said it too many times before  
And I just couldn't take it anymore  
Now it's your turn  
To get burned  
Oh, you'll be the one pleading, now

Yeah, you'll be the one pleading  
For me to take you back  
Yeah, you'll be the one  
You'll be the one

Ohh, you'll be the one bleeding
