Verse 1

We've been so happy... We've been contrary too...
We've done a lot of good things... a lot bad things too...
We've probably lost our temper... more than we've kept
our cool... We've said a lot of good words... but the bad
probably outweigh the good... so let's make our minds
now... let's decide to change... let's decide to change
our lives our hearts... and start living life... to the fullest
today.

Chorus

It's time to Change, Change, Change... Make a Change
today... Make a choice to Change your crazy thoughts...
Change-Change-Change... Make a change today...it's
time to Change... Change how you walk and
talk...Choose to smile when someone walks by...Choose
to hold your head up high...it's time to Change,
Change, Change... it's time to make a Change...Choose
to Change the way you live your life...Choose to live
life... to the fullest today.

Verse 2

Maybe I should tell yah... that life's been hard for me...
maybe I should tell yah... that it hasn't been that easy,
you see... I've made some crazy choices... with the
things that I've done... Had a real bad attitude...I felt I
could do no wrong... So, I've made up my mind now...
I've decided to change... I've decided to change my
life... my heart... and start living life... to the fullest
today.

Chorus

It's time to Change-Change-Change... Make a Change
today... Make a choice to Change your crazy thoughts...
Change-Change-Change... Make a Change today...it's
time to Change... Change how you walk and
talk...Choose to smile when someone walks by...Choose
to hold your head up high...it's time to Change-Change-
Change... it's time to make a Change...Choose to
Change the way you live your life...Choose to live life...
to the fullest today.
Choose to live life... to the fullest today... Change-
Change-Change...it's time to make a change... (Time to
make a Change)...Change-Change-Change...It's time to

make a change... (Ohhhh time to make a
Change)...Change-Change-Change-it's time to make a
change...(Oh Live life... to the fullest today.)
