Watch the clock as it turns 11  
I been waiting since 7 for you  
Baby, how long could you keep me waiting  
For love, love  
Hey baby, do you remember the days  
When we me and you used to say  
That I would be yours and you would be mine  
Forever

Even if the moon came crashing down  
I'll light up the night and move the clouds  
Turn on the stars, I know where you are  
Forever

So baby, let's dance dance  
Dance the night away (you can be my, baby you can be  
my)  
Let's dance dance,

Baby let's dance, dance, dance the night away  
Forever
