Maybe I hang around here a little more than I should
We both know I've got somewhere else to go
I've got something to tell you that I never thought I
would
And, I believe you really need to know

I love you, I honestly love you

You don't have to answer, I see it in your eyes
Maybe, it was better left unsaid
But this is pure and simple and you must realize
That it's coming from my heart and not my head

I love you, I honestly love you

I'm not trying to make you feel uncomfortable
I'm not trying to make you anything at all
But this feeling doesn't come along everyday
And you shouldn't blow the chance
When you've got the chance to say

I love you

If we both were born in another place and time
This moment might be ending with a kiss
But there you are with yours,
And here I am with mine
So I guess we'll just be leaving it at this

I love you, I honestly love you

I honestly love you
